

POLAR TEAM PRO SHIRT

MEN'S BASE LAYER WITH INTEGRATED HEART RATE TECHNOLOGY

HEART RATE MEASUREMENT

Seamlessly integrated sensors to monitor heart rate.

INTEGRATED SENSOR POCKET

Located on the upper back for optimal GPS reception.

SECOND SKIN FIT

Optimized for Sport.

ULTIMATE WEARABILITY

The specific body moisture system keeps athletes cool no matter what challenge the game throws at them.

UPF 50+ SUN-BLOCK

The garment blocks the damaging effects of ultraviolet rays, so they can concentrate in the heat of the game.
